### **Davis-Standard, LLC Announces Montalbano Rejoins Company**

(Fulton, N.Y.)--The Converting Systems Group of Davis-Standard, LLC is pleased to announce that John Montalbano has rejoined the company in the position of Product Manager of Extrusion Coating. He brings over 30 years of experience in the plastics converting industry, having worked for Black Clawson Converting Machinery, Inc. for 28 years. Montalbano has an extensive background in engineering and sales as well as a wide range of experience in extrusion coating applications.

“John’s rejoining the company comes at a time of growth and will help Davis-Standard continue our leadership in extrusion coating applications,” said Harry Challenger, Vice President of Business Development. “We are excited about his return.”

Montalbano will be based in the Fulton, New York, location of Davis-Standard. For more information, contact Christine Maxam at [maxamc@bc-egan.com](mailto:maxamc@bc-egan.com).
